Prayer Spaces

Children from age 3 to age 11 had the chance to visit Trinity Learning's Prayer Spaces this week. 'Feeling loved' was the theme of the week as children gathered in peaceful spaces to carry out reflective activities. Wood White Class had a lot to say to Mrs Hole when they returned!

Jack: "I liked the bubble tent; the different colours. I felt nice and peaceful because it was nice and quiet in the bubble tent."

Pristina: "I like to go and plant seeds. We put them in the love heart. I thought about my daddy."

Chloe: "I liked all of the tents. I liked the bubble tent. They were lovely. I felt happy because the adults were talking about love."

The closing comment comes from Anyisia, Red Admiral Class: "It was nice to know that we're all very unique and we don't have to be alike to connect with each other."

THANK YOU Rosemary and your team of volunteers.
