

Kingfisher School Peaceful Activity Pack 2

These packs are all about activity and movement! Some of these activities have songs to go with them.

Multi-textured balls

Rolling, dropping, pushing, catching, there is so much to do with these multi-textured balls. They light up too, so are fun to play with in the dark! Watch the lights as you sing Twinkle Twinkle.

Bubble wand

This big bubble wand can create massive bubbles. Watch them float or try and pop them. Can you imagine a problem inside a bubble before you watch it float away and disappear? The bubbles go well with the Turtle Song.

Rainbow glitter ball

Another ball! This one is filled with colourful glitter. Give it a shake and then watch carefully as the glitter swirls and settles. This is a great calming activity!

A mirror

A mirror to help you remember how beautiful you are! Mirrors can also help you to see things from a different perspective. The mirror goes well with the Mash Potato song.

This pack has been developed thanks to funding from the Coronavirus Community Support Fund, distributed by The National Lottery Community Fund on behalf of the Government.
